Items deemed to be counterfeit or replica will not be returned and may be used for prosecution. If you are not certain of authenticity, please do not send in your items. You can get it authenticated at <http://www.mypoupette.com/authentications.php> for a low fee. Once verified, you can then mail in the items with a printout of the authentication letter by Mypoupette.

Terms for Consignment

Consignment Period

This agreement shall have a term of sixty (60) days. After the 60-day period, it is automatically extended month to month until either party, in its own discretion, chooses to end the consignment by giving written notice to the other party via email. The item will be returned within 2 business days.

Fees

Consignment fee for items that sell below \$5000 is only 30% of final sell price. Consignment fee for items that sell above \$5000 is only 25% of final sell price. If your item is sold through an online auction, fees associated with the auction will be deducted from your proceeds.

Process

Upon receipt and professional authentication of your items, Authentic Lovers will take all necessary steps to sell your items on www.AuthenticLovers.com or our eBay stores.

Listing Prices & "Reserves"

Authentic Lovers will determine the selling price based on comparables that are the same or similar style, condition, and brand

of your item during recent months. Our goal is to obtain the highest sell price possible and may do so by using a reserve to ensure we sell above Ebay market price. In other instances, we may not use a reserve to entice more bidding activity to obtain a higher sell price. It all depends on the actual item for sale. If a specific minimum reserve price is required by the Consignor, the consignment fee will be our normal percentage plus Ebay and Paypal associated fees. If the item does not sell after 3 attempts on Ebay due to RESERVE NOT MET, a \$60 transaction fee will be charged in addition to the Ebay and Paypal associated fees.

Ebay Auction and Website Listing Rules

Once an item is listed on Ebay or our website within the 60-day consignment period and the item is not yet sold, there will be a processing fee for \$100 if the owner demands the return of items within that period. Once an item is sold, under no circumstance can the consignor demand return of the items.

Seller/consignor is responsible for sending the items to AUTHENTIC LOVERS in good condition and cleaned when necessary. For secure shipping carriers, we suggest using UPS, FedEx, USPS with tracking services and adequate insurance.

Upon delivery, Authentic Lovers will be fully responsible for said items until it is sold.
